RIVERSIDE LIVING

HARBOUR VILLAGE THE MASTERPLAN

THE NEW HOMES AT HARBOUR VILLAGE HAVE BEEN THOUGHTFULLY DESIGNED TO CREATE A VIBRANT NEW COMMUNITY JOINING NORTHFLEET TO THE RIVER THAMES

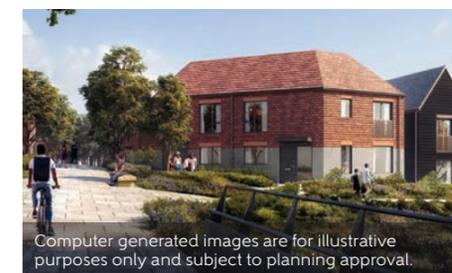

Artistic plan is proposed only and is subject to changes and planning approval.

Ample green spaces around the development will include a Heritage Park and trails to celebrate the areas' rich heritage from Roman times when chalk was discovered to, more recently, the cement-making industry. The proposal is that carts and historic kiln artefacts will be used to make planters, the original tunnel entrances will be retained and secured, and information boards will provide an insight into the local history.

Bevan's Park will be among the first of these green spaces to be completed and will feature a football pitch and wildlife glade connected to the first phase of homes by a pedestrian footbridge. Catering for all residents, this park will provide areas for lively activity and a calm oasis for relaxation.

The riverside area will complete the development with a wide promenade along the Thames. Proposed outdoor fitness gyms, commercial units, seating areas and lawns will give residents the opportunity to enjoy riverside living at it's best. A proposed community centre will create a hub for the community and the proposed Fastrack bus route extension will connect the development to Ebbsfleet International, Dartford and Bluewater.

THE EBBSFLEET FUTURE VISION

WHERE LONDON MEETS
THE GARDEN OF ENGLAND

Ebbsfleet is the next generation of garden city, championing health, wellbeing and community to create an environment where people and nature grow together to enjoy a better quality of life.

This pioneering development is transforming 2,500 acres of brownfield land, breathing new life into an otherwise unused stretch of the beautiful Thames riverbank. Such a unique location between the vibrancy of the capital and the green fields of Kent allows it to provide the perfect combination of city and country lifestyle.

The area is set around a major commercial district featuring state-of-the-art workspaces, a wellbeing hub and many other amenities. However, it also features numerous green habitats where nature can thrive, all interconnected with footpaths and cycleways to help encourage a healthier lifestyle.

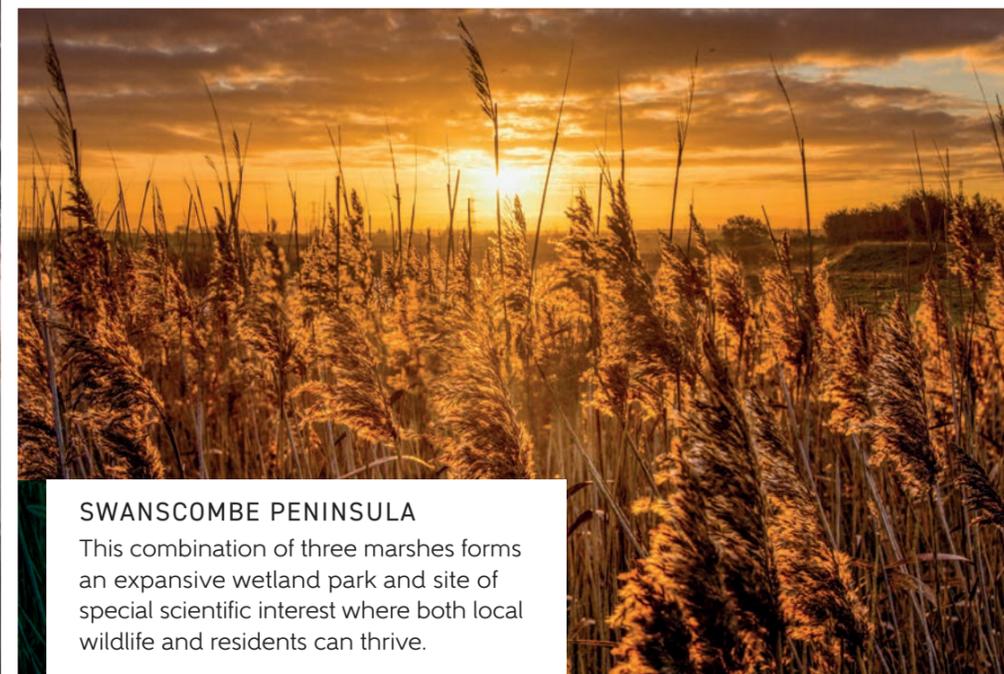

Map is for illustrative purposes only. For more information please visit ebbsfleetdc.org.uk

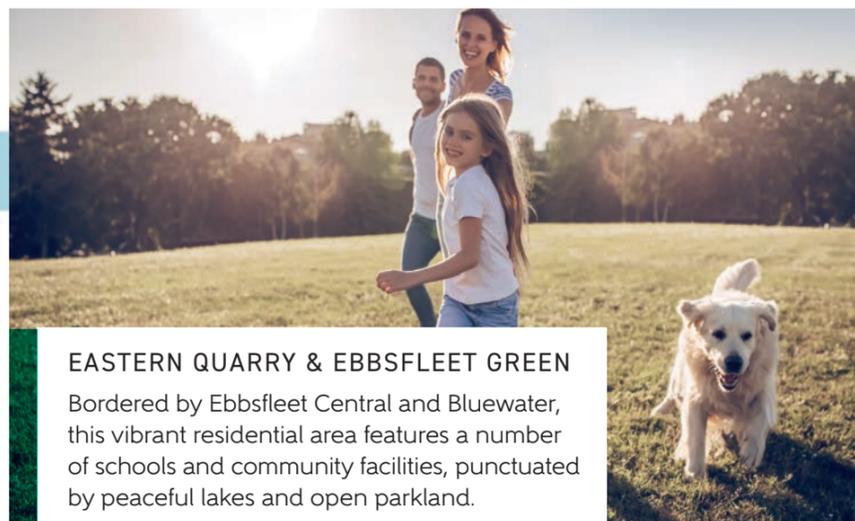

EBBSFLEET CENTRAL

Ebbsfleet Central will form the beating heart of Ebbsfleet Garden City. This bustling commercial centre will feature offices, retail and cultural facilities.

SWANSCOMBE PENINSULA

This combination of three marshes forms an expansive wetland park and site of special scientific interest where both local wildlife and residents can thrive.

EASTERN QUARRY & EBBSFLEET GREEN

Bordered by Ebbsfleet Central and Bluewater, this vibrant residential area features a number of schools and community facilities, punctuated by peaceful lakes and open parkland.

NORTHFLEET RIVERSIDE

Northfleet Riverside, where Harbour Village is set, perfectly combines state-of-the-art commercial with contemporary residential to form a desirable neighbourhood on the bank of the River Thames.

CONNECTING PEOPLE AND PLACES

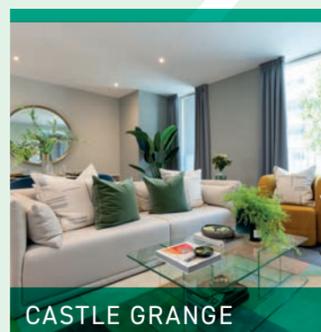

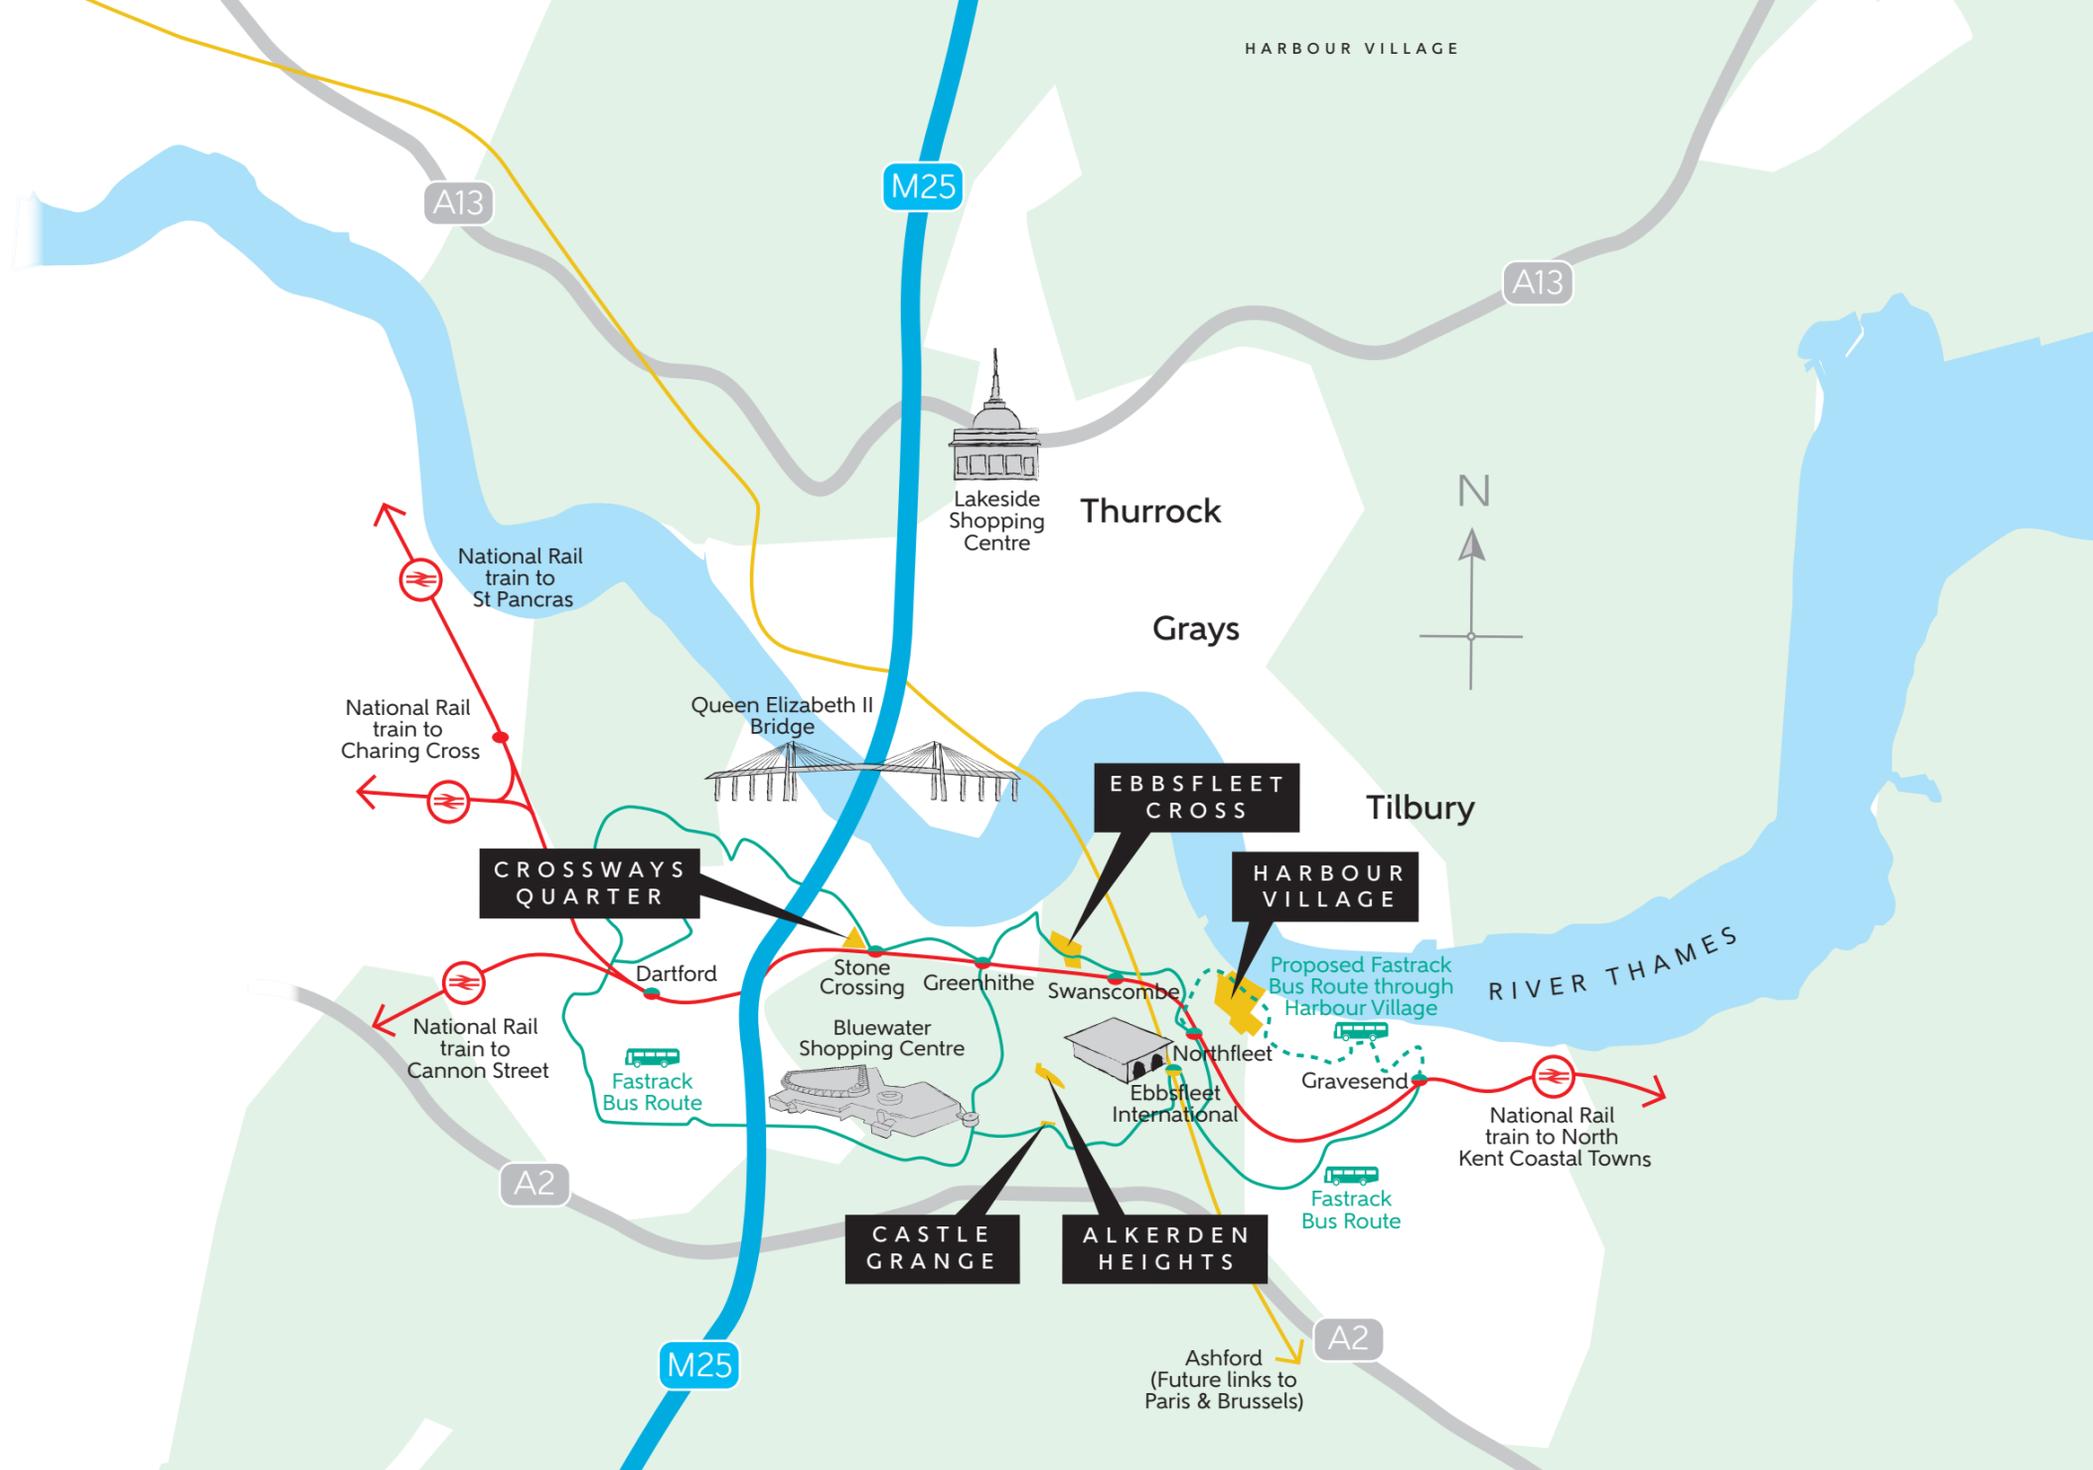

Bellway London has five new developments, with over £270 million invested in the area, and is confident that this 'Garden City' will put Ebbsfleet on the map as one of the South East's leading places to live and work.

Superb transport connections include the proposed Fastrack bus extension with stops through Harbour Village. Northfleet mainline station is a 9 minute walk from home and direct high-speed trains into London depart from Ebbsfleet International station on a regular basis. While excellent road links via the A2, M25 and A13 provide easy access to London City Airport and the national motorway network.

However, it's not just wider links to the city, country and continent that this unique community benefits from, it's also the network of cycleways and footpaths that help to revolutionise local travel and maximise wellbeing.

Whether it's shopping at Bluewater or peaceful walks by the river, it's never far away - whichever Bellway London development you choose to call home.

A REPUTATION BUILT ON SOLID FOUNDATIONS

BELLWAY LONDON HAS BEEN BUILDING EXCEPTIONAL QUALITY NEW HOMES THROUGHOUT THE UK FOR OVER 75 YEARS, CREATING OUTSTANDING PROPERTIES IN DESIRABLE LOCATIONS

Bellway London has earned a strong reputation for high standards of design, build quality and customer service. From the location of the site, to the design of the home, to the materials selected, we ensure that our impeccable attention to detail is at the forefront of our build process.

We create developments which foster strong communities and integrate seamlessly with the local area. Each year, Bellway London commits to supporting education initiatives, providing transport and highways improvements, healthcare facilities and preserving - as well as creating - open spaces for everyone to enjoy.

Our high standards are reflected in our dedication to customer service and we believe that the process of buying and owning a Bellway London home is a pleasurable and straightforward one. Having the knowledge, support and advice from a committed Bellway London team member will ensure your home-buying experience is seamless and rewarding, at every step of the way.

Bellway London abides by the New Homes Quality Code, an independent industry code established to champion quality new homes and deliver better outcomes for consumers.

OUR PASSION FOR GREAT CUSTOMER CARE

FROM THE FIRST DAY YOU VISIT ONE OF OUR SALES CENTRES TO THE DAY YOU MOVE IN, WE AIM TO PROVIDE A LEVEL OF SERVICE AND AFTER-SALES CARE THAT IS SECOND TO NONE

Each home is quality checked by our site managers and sales advisors, after which we invite our customers to a pre-occupation visit. These personalised visits provide a valuable opportunity for homeowners to understand the various running aspects of their new home. On the move-in day our site and sales personnel will be there to ensure that the move-in is achieved as smoothly as possible.

Providing high levels of customer care and building quality homes is our main priority. However, we are aware that errors do sometimes occur and where this happens, it has always been our intention to minimise inconvenience and resolve any outstanding issues at the earliest opportunity. In managing

this process we have after sales support that is specifically tasked to respond to all customer enquiries. We have a 24 hour emergency helpline and provide a comprehensive information pack that details the working aspects of a new home. Our homes come with a 10-year NHBC Buildmark policy which includes deposit protection from exchange of contracts, a two-year builder warranty from legal completion, and then eight years of structural defects insurance cover.*

We are confident that our approach to building and selling new homes coupled with our Customer Care programme will provide you with many years of enjoyment in your new home.

*For more details, we advise you to visit the NHBC website at www.nhbc.co.uk/homeowners and take a look at the 'Welcome to NHBC warranty and insurance' brochure.

Beckton Parkside Show Apartment.

SHARMIN & GERGO

SHARMIN AND GERGO RECENTLY FOUND THEIR DREAM TWO-BEDROOM APARTMENT AT BELLWAY LONDON'S NEARBY BECKTON PARKSIDE DEVELOPMENT.

"It was only when we looked around Beckton Parkside that we were sure of what we wanted – it ticked all the boxes. There was also something about owning a new-build home that was really attractive to us," says Sharmin.

"We are really looking forward to the summer when the weather gets a bit better, so we can take full advantage of the garden and meet more of our neighbours."

Describing how their lives have changed since moving in, Sharmin said: "I think the main thing is how happy we are. Having our own space was a really big thing for us and we feel much more content now that we have achieved it."

"The customer service we received was amazing. I have already recommended Bellway to my friends and family who are also looking to purchase their first property soon."

AWARDED HIGHEST RATING BY HBF

9/10 WOULD RECOMMEND US TO A FRIEND

Bellway London has been awarded five-star status by the Home Builders Federation (HBF), confirming the developer's place among the country's elite house-builders. More than nine out of ten customers said they would recommend Bellway London to a friend.

The award is the highest accolade a new homes developer can receive. HBF ratings are based on feedback from customers in the weeks after they move into their new home. Only a small handful of housebuilders achieved five-star status this year.
